2. **Medical Staff Report** – Election of officers was held at the meeting in June. Dr. Chuck Franklin was named Chief of Medical Staff, Dr. Daniela Gerard vice Chief and Dr. Regg Hagge secretary. Information about insurance denials was given about diagnosis. Lab order expiration dates and radiology staff orders.
3. **Quality Report** – The quarterly report will be given in August.
4. **Service Excellence** – There will be training on July 30<sup>th</sup> and 31<sup>st</sup>. The SEA groups are actively practicing for their pilot workshop on the last day of the month. We are incorporating the LEAD program this year. We picked two areas from our HCAHPS that we felt we could improve. They are meant to be short projects. The groups will watch a webinar and pick best practices and incorporate that. We are continuing in our huddles and Do It projects. The SEC will be following up to see what people need.
5. **EMR** – The second post live visit went well. There are a couple of things that need to be completed. They are trying to optimize what we already learned in the system. Things are progressing well.

**MANAGER REPORT** – Pharmacy Manager Tavis Weidenbach spoke about the continuation of improving systems in the Pharmacy. One example he gave was the delivery of medications to the nursing home in cassettes. Prior to going to the manor, the cassettes had to be filled by a technician and then checked by the Pharmacist. The Talyst machine helped with the labor intensity of the regimen. Once the patient is entered, there is consistent accuracy. The machine is now used for the bedside verification process. The systems are set up to continue to make improvements.
