Finance committee discussed financial situation with a listing of potential cuts – reducing hours, furloughing positions, cutting contracts, cutting salaries for Managers and others, cancel Cerner agreement, total of monthly \$222,871 2,734,457. Closing Hospital patient beds and ER would hurt our revenue more than cut costs. Cost report implications approximately \$437,963 with a non-

recommendation by Mark Lyons from Casey Peterson. Providers reduction in pay and not cover license renewal. Lab change to call and go away from 24/7 coverage.

Congress did pass payroll protection program from SBA for rural hospitals. More money coming to the state in the future but don't know the amounts at this time.
